# Poornima Mohabe

## Full Stack Web Developer

### PROFESSIONAL SUMMARY

Analytical full-stack developer skilled in crafting production-ready, responsive web applications. Proficient in HTML, CSS, JavaScript, and React, with expertise in MySQL and MongoDB for database management. Eager to enhance capabilities and contribute meaningfully to innovative projects

### PROJECTS

**1. pixel-pioneer-7654 | ⊕ | ⓖ**
**HTML | CSS | JavaScript**

- Developed a comprehensive travel website that simplifies destination selection and booking at competitive prices.
- Created a specialized API for fetching accurate and up-to-date travel information.
- Designed and implemented interactive nation cards, allowing users to browse and select tours based on countries.
- Utilized API calls to dynamically update location options based on the selected nation, streamlining the booking process.
- Handled API integration and data management, ensuring seamless communication between the frontend and backend.

**2. Fusion Furnish | ⊕ | ⓖ**
**HTML | CSS | React | Redux | Chakra UI**

- Developed an online furniture platform for easy exploration and purchase, responding to the growing trend of online furniture shopping.
- Implemented CRUD operations for FurnitureCart and Orders, managing Items, Categories, and Bills.
- Designed and built the front-end UI, incorporating dynamic time and date updates based on user selections.
- Spearheaded the creation of the Address and Payment pages, ensuring user-friendly interfaces.
- Implemented responsive design for improved accessibility across devices.

### WORK EXPERIENCE

**Reliance SMSL Limited**
**Voice Executive**
January 2021 - May 2023
**Job responsibilities:**

- Customer Query Handling.
